Snow White lives with her step-mother. The step-mother is a beautiful and proud woman, but she is also very mean. She often asks her magic looking-glass: “Who is the most beautiful woman in the world?” The looking-glass always answers “You are.” One day the step-mother realized that Snow White grew up to be a real beauty. The stepmother became jealous.

The step-mother asks a huntsman to take Snow White into the woods and kill her. But the huntsman takes pity on Snow White and lets her go. Snow White runs, but soon she gets very tired and stops. She looks around and sees a nice little cottage not far away. Snow White decides to go inside and rest there a little. She looks around and sees a nice little chair. But soon she gets very tired and stops. Snow White runs into the woods and kills her.

The step-mother asks a huntsman to take Snow White to her. “You are one day the step-mother answers. “Who is the most beautiful woman in the world?” The looking-glass always answers “You are.”

One day step-mother learnt that Snow White was alive. She decided to poison her. The step-mother dresses as an old woman and goes to the forest. She asked Snow White to walk far away from the cottage. They are afraid that her step-mother wants to kill her.

One day step-mother learnt that Snow White was alive. She decided to poison her. The step-mother dresses as an old woman and goes to the forest. She asks Snow White not to walk far away from the cottage. They are afraid that her step-mother wants to kill her.

The dwarfs cannot believe that Snow White is dead. They put her into a crystal coffin.

One day a young prince comes to the forest. He falls in love with Snow White. He kisses her and she opens her eyes. The dwarfs and the prince are very happy — Snow White is alive again! The prince took Snow White to his palace. Soon they got married and lived happily ever after.
